#### INSPIRED BY TRADITION

Black Tot Finest Caribbean is inspired by the historical Navy Rum blend, evolved for the tastes of today.

Aged entirely in the tropics, the unique flavour profiles of Guyana, Barbados and Jamaica blended together create a rum full of tropical, coffee, and chocolate notes.

The perfect sipper for those who enjoy their rum neat, with a depth and complexity that will stand out in your favourite rum cocktails.

#### TASTING NOTES

#### NOSE

Tropical breezes of pineapple, mango, melon and a feast of Caribbean sweets.

#### PALATE

Full-bodied texture laced with intense espresso and dark chocolate at first, before developing into ginger cake, cloves, juicy honeydew melon and warm cardamom buns.

#### FINISH

Lengthy, rounded off with tropical fruits, chili jam, masala chai and roasted banana.
