UNPEATED SINGLE MALT WHISKY

Paul John
Indian
Single Malt
Whisky

Step up to Greater Heights

Paul John Whisky is proud to add yet another delectable expression to its repertoire of global award winning single malts. Created for those who seek greater heights, Nirvana is especially for the few who discover happiness in their purpose of being.

Colour: Deep Copper

Nose: An attractive honeycombed bourbon with luscious fruitcake, with a light whiff of enticing caramel pudding,

Palate: A delightful soft honey with a slight salt-edged barley; an excellent mouthfeel with honeycomb sweetness.

Finish: Immensely long, and richly flavoured with dissolving honey, barley, and succulent vanilla.

Balance: A joyous barley plays intricately with high quality oak, that offers a dash of true Goan pleasure!!!
