

Port Askaig Islay

ISLAY SINGLE MALT SCOTCH WHISKY

100° PROOF

100° Proof is a benchmark Islay whisky and everyday peaty dram. This is a cask-strength Islay single malt with notes of sweet fruit, peat smoke and minerality.

TASTING NOTES

NOSE

Rich, with a meaty smokiness that belies its light colour. Freshly cooked ham and burning logs are joined by a soft coastal character of sea spray and stony rock pools.

PALATE

Sharp and stony initially, with an intense minerality that quickly becomes sweet and rich – milky coffee, milk chocolate and spicy cinnamon gobstoppers. The spice grows, adding liquorice and stewed apple with cinnamon, along with heavy charcoal smoke.

FINISH

Sweet, spicy and very long. Cinnamon-spiced chocolate slowly fades to drying apple skin.

COMMENT

More powerful than you might expect, with carefully balanced smoke and fruit.

STRENGTH

57.1%

ABOUT PORT ASKAIG

Port Askaig is a range of Islay single malt whiskies that embodies the unique spirit of Islay and its people. Nestled into the north coast of the island, Port Askaig has been the gateway to Islay for hundreds of years. It seemed right to name our whisky after this magical place. While there is no distillery at Port Askaig, it gives us the opportunity to specially select casks from the distilleries around Islay and create a variety of expressions.
