## The GlenDronach Distillery

Nestled in the Valley of Forgue, deep in the East Highland hills of Scotland, is The GlenDronach, one of the oldest licensed distilleries in Scotland.

The GlenDronach is of true Highland style; a rich and full-bodied spirit, perfect for long maturation in Spanish sherry oak. At The GlenDronach Distillery, we have carried forth the tradition of our founder James Allardice since 1826, maturing our complex Highland spirit in the finest Pedro Ximénez and Oloroso sherry casks from Andalucía in Spain.

Pedro Ximénez casks impart rich, deep fruit flavours, whilst dry and nutty notes come from our Oloroso casks.

Every expression of The GlenDronach Highland Single Malt Scotch Whisky has been crafted for depth of colour; rich, full-bodied complexity; and a long, satisfying finish.

## The GlenDronach Original Aged 12 Years

The GlenDronach Original Aged 12 Years epitomises our unyielding dedication to the mastery of our craft.

Matured in fine Pedro Ximénez and Oloroso sherry casks from Andalucía in Spain, this richly sherried Highland Single Malt Scotch Whisky presents smooth vanilla, soft fruits and a memorably long, nutty finish, for which it has become renowned.

This expression is bottled at 43% and with only natural cask-imparted colour.
